

# THE ERIE CANAL

by Thomas Allen, 1905; edited and added to by Lew Toulmin, 2019; bari uke chords added 2021

Intro: **Am C Dm E7 G G7 Am**

[Am] I got a [C] mule and her [Dm] name is [E7] Sal;  
[Am] 15 miles on the Erie [E7] Canal [Am]  
[Am] She's a good old [C] worker and a [Dm] good old [E7] pal;  
[Am] 15 miles on the [G7] Erie [C] Canal  
We've [C] hauled some barges in our [G] day;  
[Am] filled with lumber, coal, and [E7] hay  
And [Am] we know [C] every [Dm] inch of the [E7] way;  
from [Am] Albany to Buffalo- [G7]-o

## Chorus:

[C] Low bridge, everybody [G] down;  
[C] low bridge, for we're coming [G] to the [C] town  
And you'll [C] always know your [G7] neighbor;  
you'll [C] always know your [G7] pal  
If you've [C] ever navi- [F] gated on, the [G7] Erie [C] Canal

[Am] Oh, you [C] better get [Dm] along on your way, old gal; [Am] 15 miles on the [E7] Erie [Am] Canal  
[Am] Oh, you bet your [C] life I'll never [Dm] part with [E7] Sal; [Am] 15 miles on the [G7] Erie [C] Canal  
Get [C] up there mule, here comes a [G] lock; [Am] we'll make Rome 'bout six [E7] o'clock  
One [Am] more trip [C] and [Dm] back we'll [E7] go, right back [Am] home to Buffalo- [G7]-o

## Chorus

[Am] Oh, where [C] would I [Dm] be if I lost my pal? [Am] 15 miles on the [E7] Erie [Am] Canal  
[Am] Oh, I'd like to [C] see a mule as [Dm] good as [E7] Sal; [Am] 15 miles on the [G7] Erie [C] Canal  
Guy [C] I know once made her see [G] red; [Am] now, he's got a broken [E7] head  
'Cause [Am] she let [C] fly [Dm] with her iron [E7] toe, kicked him from [Am] here to Buffalo- [G7]-o

## Chorus

[Am] Oh, I don't [C] need to [Dm] call when I want my Sal; [Am] 15 miles on the [E7] Erie [Am] Canal  
[Am] She trots from her [C] stall like a [Dm] good old [E7] gal, [Am] 15 miles on the [G7] Erie [C] Canal  
I [C] eat my meals with Sal each [G] day, [Am] I eats beef and she eats [E7] hay  
Then [Am] for a [C] drink [Dm] if you want to [E7] know, she drains that ditch [Am] through to  
Buffalo- [G7]-o

## Chorus

Final
