

Ol' Joe Clark = Donald Trump

Trad., new verses by Lew Toulmin, 1/21 – 4/23; Strum: DUDU; or Waltz (DUU) or Calypso (DDUUD)

[G] Ol' Joe Clark, he used to be, the biggest bum around
'Til Andrew Johnson 'pointed him, the [D7] marshall of the [G] town.
[G] He's full of wine and full of breeze, you oughta hear him brag
But all good Rebels know that he's, a [D7] low-down [G] scalawag!

CHORUS

[G] Get outta the way for ol' Joe Clark, hide that jug o' [D7] wine!
[G] Get outta the way for ol' Joe Clark, [D7] he's no friend of [G] mine!

[G] Well ol' Joe Clark, come to my door, treat me like a pup.
He runs my bird dogs under the floor and [D7] drinks my whiskey [G] up.
[G] He puts his banjo in my hand, and tells me what to play
Dances with my pretty little gal, [D7] 'til the break of [G] day! **CHORUS**

[G] Ol' Joe Clark, they made of him, Treasurer of this town,
And now our money's in the john, [D7] goin' round and [G] down!
[G] Ol' Joe Clark, he got so drunk, he drown-ed in a pool
So in Hell he shared a bunk, with [D7] Beelzebub – the [G] fool! **CHORUS**

SINGLE STROKES:

[G] Ol' Joe Clark, escaped from Hell, changed his name to Trump.
Ruled our country for a spell, [D7] put it in the [G] dump.
[G] He groped, he whined, he used hair gel, he spewed lies like a pump,
denied the virus' death knell, [D7] 'til we kicked him in the [G] rump!

DONALD TRUMP CHORUS:

[G] Get outta the way, Donald Trump, stop that endless [D7] whine!
[G] Get outta the way, Donald Trump, [D7] you're no friend of [G] mine!

[G] Well Donald Trump, he yelled too much, he's a loud-mouthed slob
His Proud Boys rushed right down the Mall, [D7] what a vicious [G] mob.
[G] They stormed the Capitol's barricades, electoral votes to rob
But our Democrats [D7] we kicked him out, and Biden's got his [G] job!

DONALD TRUMP CHORUS

[G] Down in Georgia Donald picked, a crazy werewolf loon
Ran against our Raphael – [D7] he is no [G] buffoon!
[G] Walker couldn't walk the walk, he's unqualified
That badge he carries [D7] is a fake, so his campaign up and [G] died!

DONALD TRUMP CHORUS

[G] Donald hoards his documents, TS classified
Now he's really screwed the pooch, [D7] his career is [G] fried.
[G] Tough Jack Smith is on his trail; crooks he can't abide
Donald's quaking in his [D7] boots – from jail he cannot [G] hide!

DONALD TRUMP CHORUS

[G] Donald Trump he paid no tax, he held on to his gold
The IRS were a bunch of hacks, [D7] did what they were [G] told.
[G] But now the public has the facts, his returns they hold,
He has cheated to the [D7] max – his jail cell will be [G] cold!

DONALD TRUMP CHORUS

[G] Donald went and screwed a whore, Stormy was her name
In three seconds on the floor, [D7] he gave her lasting [G] fame!
[G] Paid her more than 100 grand, to keep her mouth real shut,
But the DA he has made a stand; [D7] and he'll jail the real [G] slut!

DONALD TRUMP CHORUS

[G] Fani Willis, she's real tough, she's got Donnie by the nuts,
that whinin', cryin', lyin' Don, [D7] is lookin' like a [G] putz.
[G] Ninety-one charges aimed at him, and his slimy crew,
pretty soon his only pal, [D7] will be a prison [G] screw!

DONALD TRUMP CHORUS:

[G] So get outta the way, Donald Trump, stop that endless [D7] whine!
[G] Get outta the way, Donald Trump, [D7] you're no friend of [G] mine!
