Intro: C G7 G Dm G C

[C] Come all ye men that have a [G7] mind
[G] To serve a queen that's [Dm] good and
[G] kind;
[C] Come 'list and enter in to pay [G7];
[G] over the hills & [Dm] far [G] away.

[C] **O'er the hills and o'er the [G7] main**
[G] **Through Bavaria, [Dm] northern**
France and [G7] Spain
[C] **Queen Anne doth call and we [G7]**
obey
[G] **Over the hills and [Dm] far [G] away.**

[C] Here's forty shillings, on the [G7] drum
[G] For those who'll volunteer [Dm]
to [G] come
[C] Enlist and fight the foe today [G7]
[G] Over the hills and [Dm] far [G] away.

[C] **O'er the hills and o'er the [G7] main**
[G] **To Canada, [Dm] Portugal and [G7]**
Spain
[C] **King George commands and we [G7]**
obey
[G] **Over the hills and [Dm] far [G] away.**

[C] At Fort Mims Redmen brought us [G7]
tears
[G] We'll defeat [Dm] them, if it takes [G]
years
[C] At Horseshoe Bend they'll run away
[G7]
[G] Over the hills and [Dm] far [G] away.

[C] **O'er the hills and o'er the [G7] plain**
[G] **From Ala- [Dm] bama up to [G7]**
Maine,
[C] **The Captain calls, we must [G7] obey**
[G] **Over the hills and [Dm] far [G] away.**

[C] Through fire and smoke and
shot and [G7] shell
[G] Unto the very [Dm] mouth of [G] hell
[C] We'll fight until the Nazis pay [G7]
[G] Over the hills and [Dm] far [G] away.

[C] **O'er the hills and o'er the [G7] main**
[G] **To Germany [Dm] and France [G7]**
again
[C] **We'll beat Japan without [G7] delay**
[G] **Over the waves & [Dm] far [G] away.**

[C] If I should fall to rise no [G7] more
[G] As many [Dm] comrades did [G] before
[C] Ask the pipes and drums to play [G7]
[G] Over the hills & [Dm] far [G] away.

[C] **O'er the hills and o'er the [G7] main**
[G] **to Falklands, [Dm] Bosnia and now**
[G7] Ukraine
[C] **Our conscience calls, we must [G7]**
obey
[G] **Over the hills and [Dm] far [G] away.**

[C] So fall in lads behind the [G7] drum
[G] With Colours [Dm] blazing
like the [G] sun
[C] Along the road to come what may [G7]
[G] Over the hills and [Dm] far [G] away;
[G] Over the hills and [Dm] far [G] away!
far [G] away, far [G] away...
