

# Ring of Fire – Pirate Version

By June Carter Cash and Johnny Cash

New verses, and chords changed slightly for bari uke, Lew Toulmin, 2022; Strum: DUDU

**G C G G**  
Love is a burning thing  
**G D7 G G**  
And it makes a fiery ring  
**G C G G G**  
Bound by wild desire  
**G D7 G**  
I fell into a Ring of Fire!

**Chorus: D7 C G D7**  
I fell into a burning Ring of Fire, I went down, down, down  
**C G G**  
And the flames went higher, and it burns, burns, burns  
**D7 G D7 G**  
The Ring of Fire, the Ring of Fire

**G C G G G**  
The taste of love is sweet  
**G D7 G G G**  
When hearts like ours meet  
**G C G G G**  
I fell for you like a child  
**G D7 G**  
Ohh, but the fire went wild **[Chorus]**

**G C G G G**  
Our love, will never die  
**G D7 G G G**  
Even after, angels sigh  
**G C G G G**  
I... will call your name  
**G D7 G**  
Even though, the Earth is flame! **[Chorus]**  
**G C G G**  
We, are pirates twain  
**G D7 G**  
Stole our loot, on the Spanish Main  
**G C G G**  
Our treasure, it is vast  
**G D7 G G**  
But it's our love, that will really last! **[Chorus]**

**G**                **C**   **G**   **G**  
 Even from out first date  
**G**                **D7** **G**   **G**  
 I knew, you'd be my mate  
**G**   **C**                **G**                **G**  
 This ring that holds our fate  
**G**                **D7**                **G**   **G**  
 Is made from, a piece of eight! **[Chorus]**

**G**                **C**                **G**   **G**  
 I made, the Spaniards quake  
**G**                **D7**                **G**   **G**  
 Now they're burning me, at the stake!  
**G**                **C**                **G**   **G**  
 They're filled with righteous ire  
**G**                **D7**                **G**   **G**  
 So I'm stuck in, this ring of fire!

**Chorus: D7**                **C**                **G**                **D7**  
 I was put in this burning Ring of Fire, I'm goin' down, down, down  
**C**                **G**                **G**  
 And the flames are goin' higher, and it burns, burns, burns  
**D7**                **G**                **D7**                **G**  
 This Ring of Fire, this Ring of Fire

**Spoken:** This could be the end of our hero, and the end of our song! BUT...

**G**                **C**                **G**   **G**  
 But I spy you, in a tree  
**G**                **D7**                **G**                **G**  
 You have come, to rescue me  
**G**                **C**                **G**   **G**  
 We'll escape, this roaring fire  
**G**                **D7**                **G**   **G**  
 This will not be, my funeral pyre! **[Chorus]**

**Final Chorus:**

**D7**                **C**                **G**                **D7**  
 So I escaped that burning Ring of Fire, I was goin' down, down, down  
**C**                **G**                **G**  
 And the flames were goin' higher, and it burned, burned, burned,  
**D7**   **G**                **D7**   **G** **[softly]** **D7**   **G**                **D7**   **G**  
 That Ring of Fire, that Ring of Fire.... that Ring of Fire, that Ring of Fire,  
**[loud, single]**                **D7**   **G**  
 That Ring of Fire!
