

Sodom & the Rising Sun: A Cautionary Song

Original song "House of the Rising Sun" by Georgia Turner and Bert Martin

New words by Lew Toulmin, February 2023

To celebrate the TeHEP Search for Sodom expedition in Jordan, NE of the Dead Sea

There [Am] is a [C] town in [D] old Jor-[F] dan
They [Am] call it [C] evil Sod- [E7] om
And it's [Am] been the [C] ruin of [D] many a poor [F] man
And [Am] God he [E7] knows we're [Am] some [C]

Two [Am] angels [C] came down [D] to save [F] me
But [Am] I told them [C] I was [E7] fine [E7]
I [Am] went on [C] sinnin' beside [D] the Dead [F] Sea [Am]
Drunk [E7] on stolen [Am] wine [C]

Well [Am] Lot he [C] left us [D] in the [F] lurch
He warned [Am] us to [C] worship [E7] God
But we [Am] ignored [C] him and [D] his [F] church
So [Am] the Lord [E7] didn't spare [Am] his rod [C]

Oh [Am] mothers [C] tell your chil-[D]dren [F]
Not to [Am] do what [C] we have [E7] done [Am]
Lest a [C] comet [D] come and crush your [F] sin
And [Am] ghosts you [E7] all [Am] become [C]

Arch- [Am] aeologists [C] now are diggin' [D] our bones [F]
They're [Am] from [C] the [E7] US of A [Am]
Will they [C] find all [D] our secrets amidst [F] the stones?
Well [Am] on-ly [E7] time [Am] can say.... [C] [D] [F] [Am] [E7] [Am] [E7]
