

JAMAICA FAREWELL

(Lord Burgess) Strum pattern: DUDU; DDUUD; D DU UDU; new verses by Lew Toulmin, 2020/3

INTRO: G C D7 G

[G] Down the way where the [C] nights are gay
[D7] And the sun shines daily on a [G] mountain top
Took a trip on a [C] sailing ship
[D7] And when I reached Jamaica, I [G] made a stop.

Chorus:

But I'm [G] sad to say, I'm [C] on my way
[D7] *Won't be back for [G] many a day*
My heart is down, my head is [C] turning around
[D7] *I had to leave a little girl in [G] Kingston town* (Repeat chorus twice at end)

[G] At the market [C] you can hear
[D7] Ladies cry out what on their [G] heads they bear
“Akee, rice, salt [C] fish are nice
[D7] And the rum, it's fine any [G] time of year!” **Chorus**

[G] In the mountains the [C] rivers flow
[D7] And the waterfalls will [G] wash your hair
Down below, Golden [C] Eye does glow
[D7] And the brown-eyes lassies are [G] all so fair! **Chorus**

[G] In the past old [C] Captain Kydd
[D7] Left pieces of eight [G] in our ground
Now we search for that [C] treasure hid
[D7] And our shovels make a [G] happy sound. **Chorus**

[G] On the hills green [C] ganga grows
[D7] And the smoke of it [G] fills the air
Not in my lungs -- only [C] in my nose [sniff, sniff]
[D7] But I must declare, my [G] heart is there! **Chorus**

[G] Sounds of laughter [C] everywhere
[D7] And the dancing girls are swayin' [G] to and fro
We must declare, our [C] hearts are there
[D7] Though we've roamed from Maine to [G] Mexico! **Chorus**
