Notes: Marley is a brown female mixed breed rescue dog belonging to Tom and Maggie Pisano of Calusa Lakes, Nokomis, Florida. Her original name at the pound was “Sweet Potato” because of her brown/orange coat. “Marley” means “pleasant” or “pleasant field” in Old English. Marley had a litter of puppies before being rescued from the street; their whereabouts are now unknown. She “chose” the Pisanos by basically demanding to be taken home.
