When [Am] Kamala brings us home again,
Hur-[C]rah, hur-[G]rah!
We'll [Am] give her a hearty welcome then
Hur-[C]rah, hur-[E]rah!
The [C] men will cheer, the [G] boys will shout,
the [Am] womens' votes will [E] all turn out
And we'll [C] have [G] no [Am] doubts [E]
when [Am] Kamala [E7] brings us [Am] home!

We [Am] knock for _____ * & Kamala too,
Hur-[C]rah, hur-[G]rah!
We're [Am] gonna flip this district Blue
Hur-[C]rah, hur-[E]rah!
Our [C] volunteers and [G] voters say
With [Am] roses they will [E] strew the way
And we'll [C] all [G] feel [Am] gay [E] when
[Am] Kamala [E7] brings us [Am] home!

*[insert name of down-ballot candidate]

Donald's [Am] such a lazy grouch!
Boo[C] hiss, boo [G] hiss!
And JD [Am] really LOVES his couch!
Boo [C] hiss, boo [E] hiss!
We've [C] never seen such a [G] lazy pair,
About [Am] America – they [E] don't care
Soon we'll [C] whip [G] them fair & [Am]
square!
[E] When [Am] Democrats [E7] bring us [Am]
home!

Mike [Am] Pence he got a big brown nose!
Boo[C] hiss, boo [G] hiss!
And then [Am] got brown down to his toes!
Boo [C] hiss, boo [E] hiss!
He [C] hooked himself to a slimy [G] gang,
And [Am] now they want to [E] see him hang!
Yes we'll [C] have [G] no [Am] pangs [E] when
[Am] sanity [E7] brings us [Am] home!

The [Am] Reds they shat on our Capitol floor!
Boo[C] hiss, boo [G] hiss!
And on [Am] our rights they took a piss!
Boo [C] hiss, boo [E] hiss!
We'll [C] kick them out & [G] show them the
door,
When [Am] our loving lioness [E] roars!
And [C] all [G] our [Am] rights will [E] be
restored,
When [Am] Kamala [E7] bring us [Am] home!

Our [Am] iPhones all will ring with joy
Hur-[C]rah, hur-[G]rah!
When [Am] SCOTUS ain't no billionaire's toy
Hur-[C]rah, hur-[E]rah!
We [C] just want our [G] home to be normal
again
Not [Am] a weird, dark-[E]ened devil's den
And we'll [C] all [G] feel [Am] gay [E] when
[Am] Democrats [E7] bring us [Am] home!

Let [Am] love & friendship on that day,
Hur-[C]rah, hur-[G]rah!
Their [Am] choicest treasures then display
Hur-[C]rah, hur-[E]rah!
And [C] let each one perform [G] some part
To [Am] gladden our Happy [E] Warrior's
heart!
And we'll [C] all [G] feel [Am] smart [E] when
[Am] Kamala [E7] brings us [Am] home!

Get [Am] ready for the Jubilee,
Hur-[C]rah, hur-[G]rah!
We'll [Am] give our heroine 3 times 3!
Hur-[C]rah, hur-[E]rah!
The [C] laurel wreath [G] is ready now
To [Am] place upon her [E] loyal brow
And we [C] can then all [G] take [Am] a bow!
[E] when [Am] Kamala [E7] brings us [Am]
home!
